

Out of the Boardroom and

INTO THE BLUE

BAY OF PLENTY BUSINESS EVENTS

LESS BURN OUT, **MORE BREAKTHROUGH**

Welcome to the Bay of Plenty – Te Moananui ā Toi, a region that cultivates balance, clarity, and connection.

This is not your usual conference destination, and that's the point. Here, the Bay offers more than scenic views and fresh air – it unlocks the clarity and creativity that teams need to think better, plan smarter, and connect more deeply with each other.

It's a place where your team can walk barefoot with the sand between their toes, meet under the sun, and dine with ocean views.

Because this isn't just a different setting – it delivers a different result.

Out of the boardroom and into the blue.

WHERE BUSINESS & **INNOVATION THRIVE**

A place where high-performing teams come to think differently.

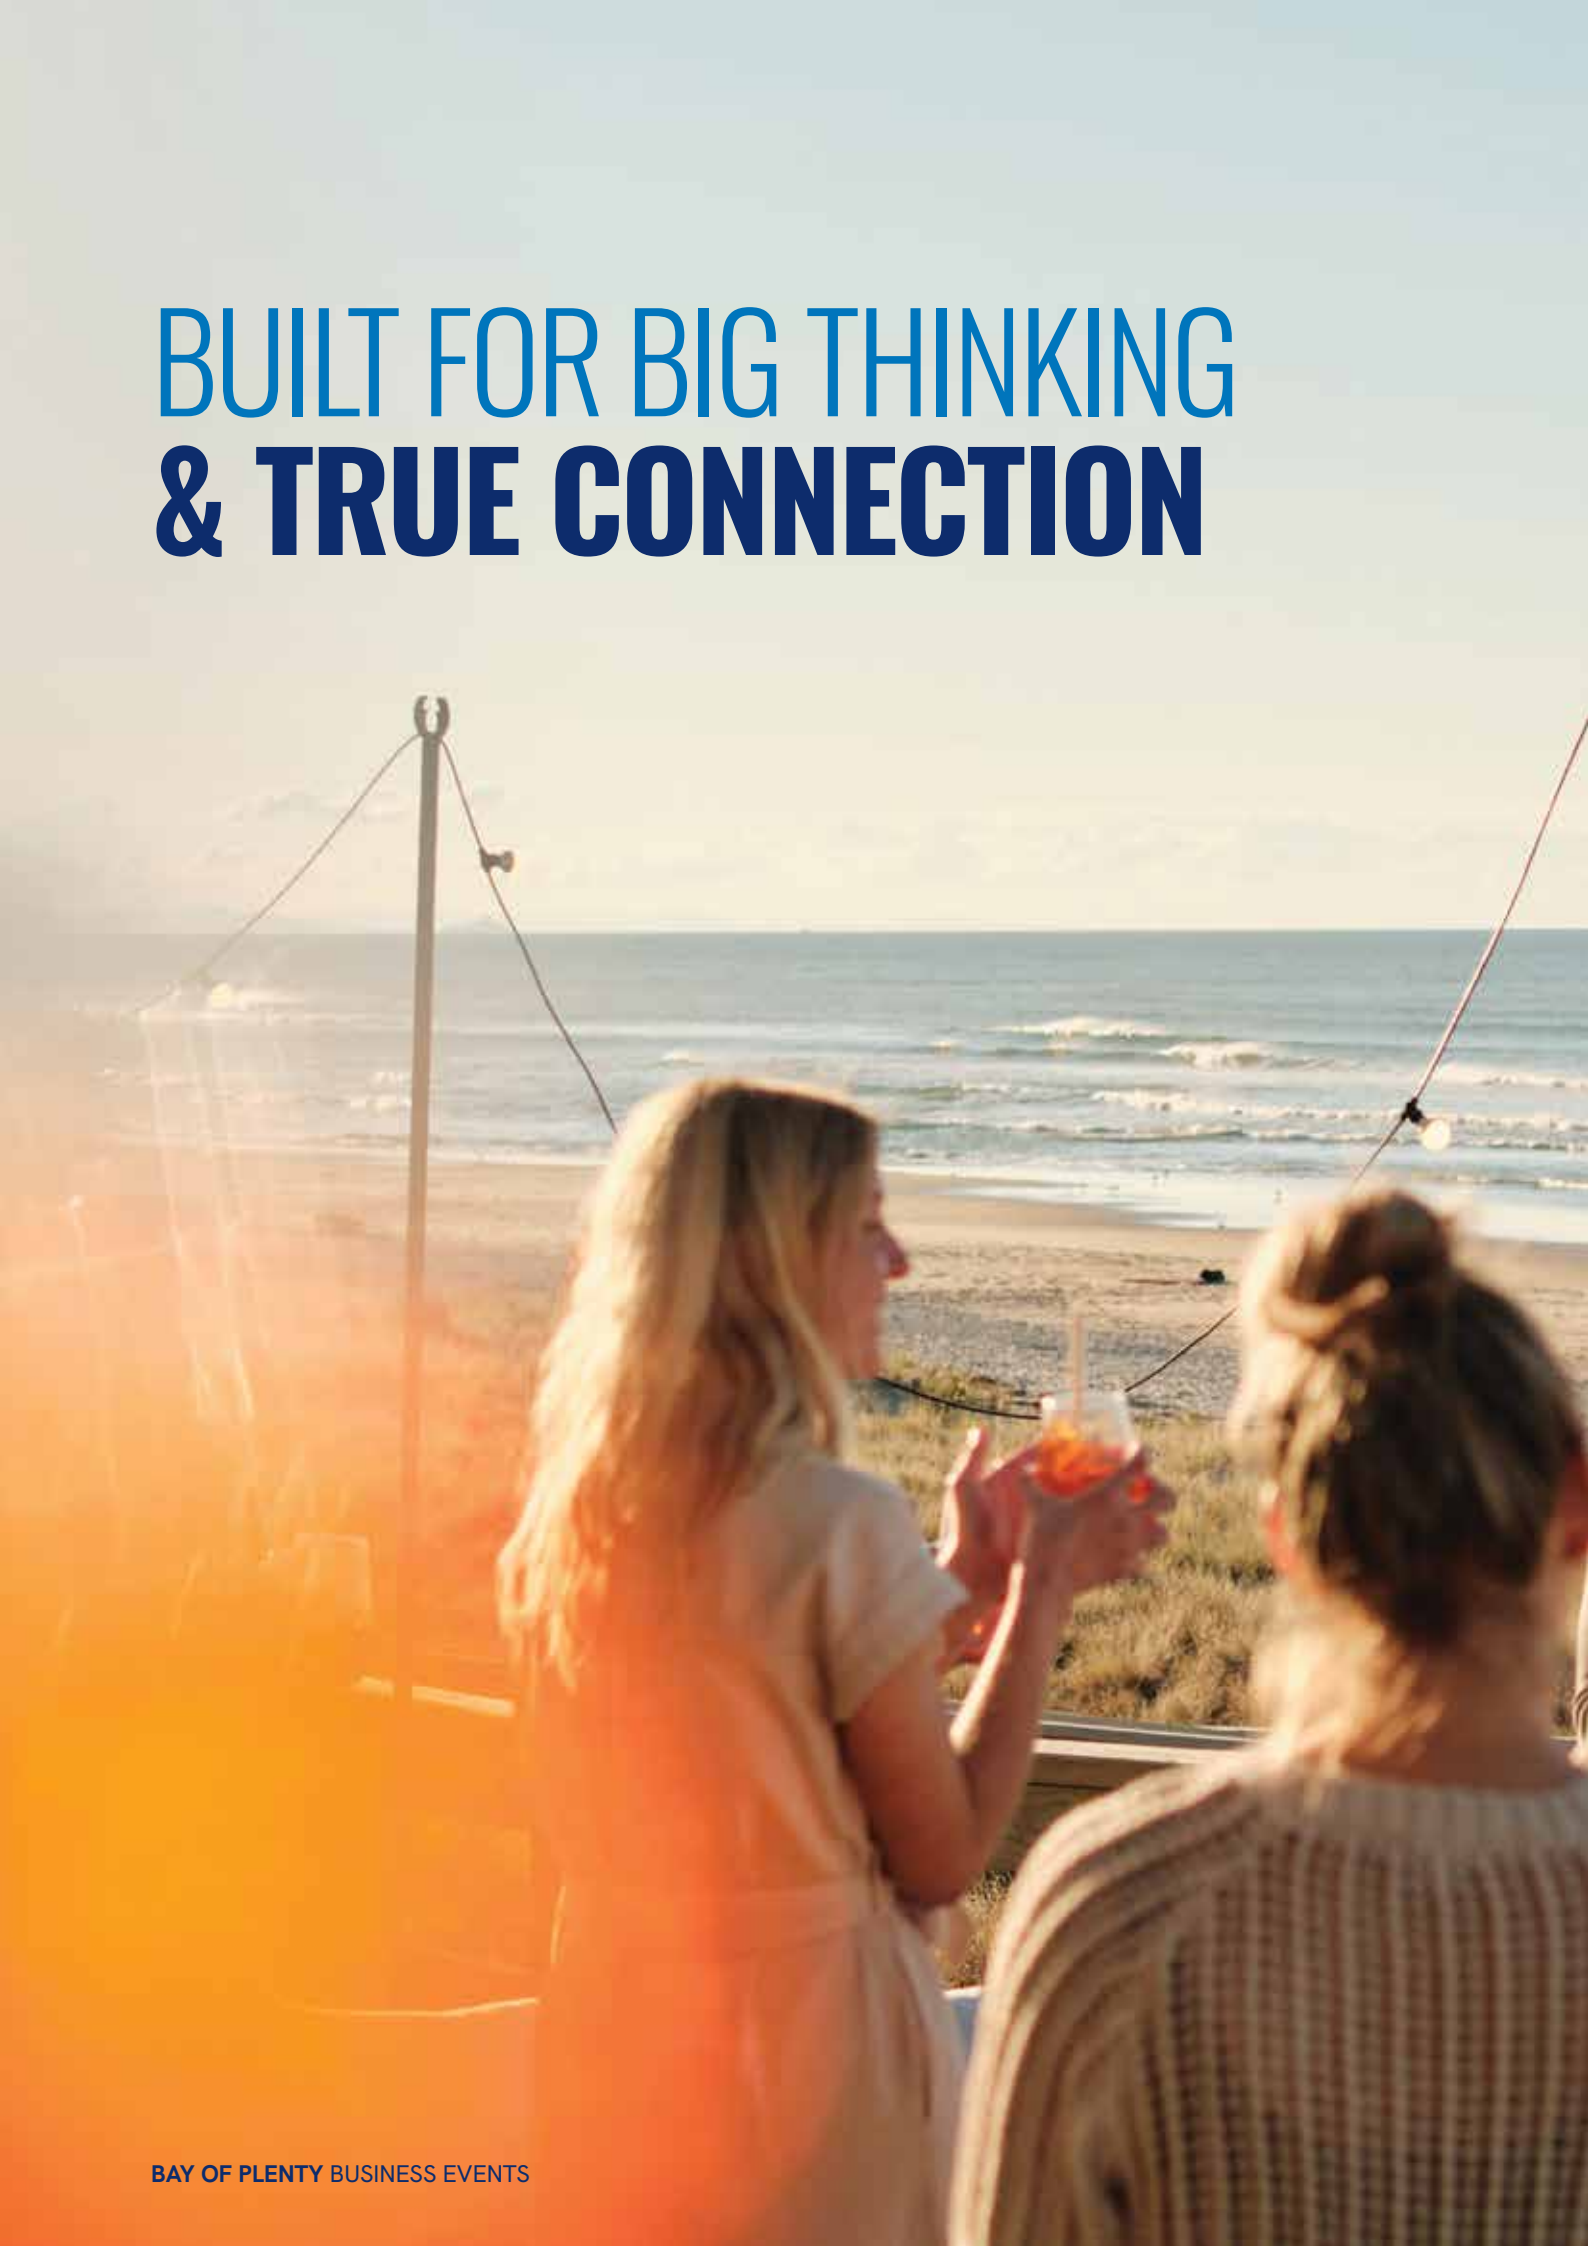

It's a place that gives leaders the mental space to reset, refocus, and see opportunities from a new perspective. Surrounded by natural beauty and driven by a spirit of innovation, this region strikes the perfect balance between clarity and creativity - the ideal conditions for breakthrough thinking.

From leading musicians like Tiki Taane, to global business innovators such as Steve Saunders, high-performance sports personalities like Sir John Kirwan and celebrated artists like Mr G, our region has a way of producing people who challenge convention and push boundaries.

These local leaders bring a distinctive perspective that is rooted in balance, connection and purpose, and they're ready to inspire your people too.

BUILT FOR BIG THINKING & **TRUE CONNECTION**

Events around the 200-300 person mark is our sweet spot - big enough to make an impact, small enough to stay personal. But if your brief is bigger, we're ready! Think you know the Bay of Plenty? Think again!

It's hard to get to?

The Bay is closer than you think - just 2.5 hours from Auckland or a direct flight away. The journey becomes part of the reward.

Not enough beds?

We're purpose-built for premium events, accommodating 200 between two city centre hotels within walking distance. That's where we shine - intimate, elevated, and personalised.

No major hotel?

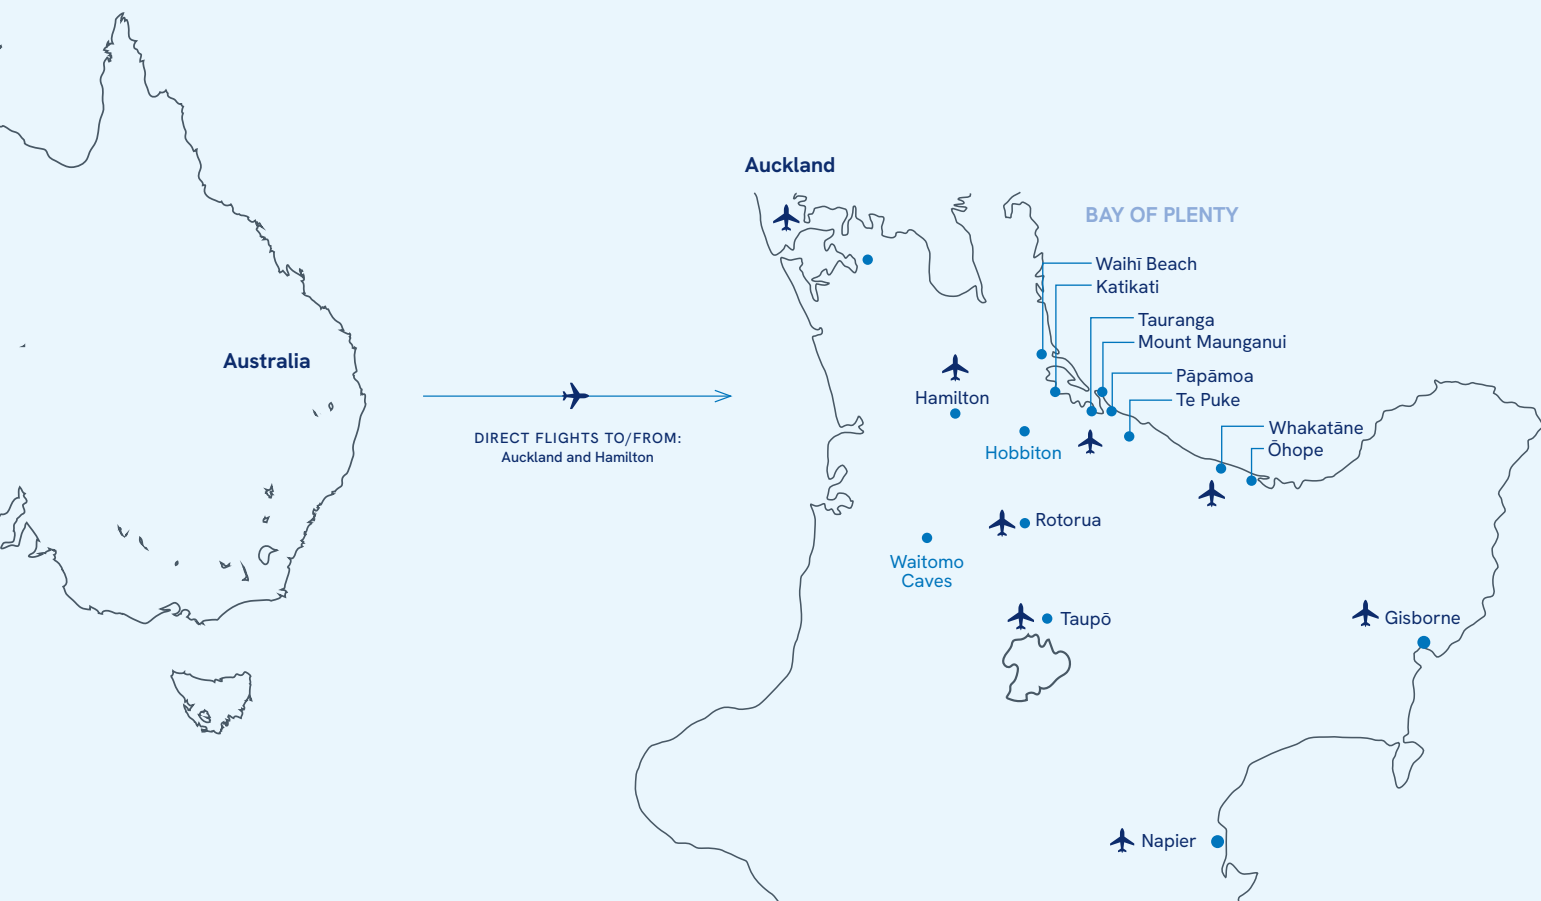

Instead of one generic chain, you get a collection of boutique stays, all within walking distance of the water in Tauranga's city centre.

Scattered venues?

Delegates are never more than five minutes apart in the Tauranga city centre and getting between venues is simple. We've got a range of transport packages with clear pricing ready to plug straight into your itinerary.
